**DAVID M. RUNYON.**

**Death Claimed One of Maysville's Old Residents Last Night.**

David M. Runyon, one of Maysville's old and respected citizens, died last night at the home of Mrs. Eliza McClanahan on East Second street. Deceased was born at Maysville eighty-three years ago.

Most of his early life was spent in New York but for the last twenty years he has been a resident of this city.

Nearly his entire life was spent in active business. For many years he was connected with a leading New York firm as its foreign buyer, being considered one of the most expert silk men of his state.

He was also prominently identified with old business firms in this city, but owing to his advanced age he retired from active business a few years ago.

Mr. Runyon was a devout member of the First Baptist Church and was a man who, in all his relations, held the highest respect of all.

He is survived by two half-brothers, Asa and Charles, who live in New York. A grandniece, Miss Mayme Hoeker, who is now at Madison, Va., made her home with his venerable couple until the death of Mrs. Runyon, now Warder, about two years ago.

The arrangements for the funeral had not been completed when THE LEADER went to press.

### D. HECHINGER & CO.

Nearly all who have visited Maysville's Fairs know that all courtesies that can be extended are received at Hechinger's Clothing House. It is generally believed that the Elks Fair will excel all previous Fairs held here before. Doubtless hundreds of people will be here who have not attended former Maysville Fairs. To friends and strangers we extend the hospitality of our house; come in and make yourselves perfectly at home. Incidentally, if you have any curiosity, we can tell you what men of fashion will wear this fall and winter. Ask us. We have got in our entire Fall and Winter Stock of Clothing, Gents' Furnishing Goods, Hats, etc.

To those who wear our Clothing it is a well-known fact that we handle the very best, namely, Stein-Bloch, L. Adler Bros. & Co., Michaels, Stern & Co., Garson, Meyer & Co., all Rochester made goods, which city is noted for making the best men's and Boys' Clothing in the world. We have sold them for years, and our experience has been we have never had a dissatisfied customer who bought any of the above named brands. Our John B. Stetson Co. fall line of Hats is now open for your inspection; we want you to see them. You will not be importuned to buy; we just want you to look at them.

Our Neckwear and Shirt Departments are replete with the latest novelties for this fall. Ask us to show you the "Fun-Storm Tie." Gentlemen who are going to attend the Fair Fops during the week, and did not bring their dress suits with them, can secure very handsome ones from us for the occasion. How about your feet? Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. He is thinking of his feet. It is good business to buy shoes intelligently. The Hanan & Son, W. L. Douglas, both of which lines are confined to us, are the smartest Shoes for men on the market. They wear longest, look best and feel broken-in from the start. We warrant every pair that we sell; money back if they do not give satisfaction.

Once more, come in and see us while you are in town, whether you want to buy or not.

It there's anything specially good in THE LEADER this week, it must be attributed to the other fellow. The Editor is "doing" the Elks Fair.

It looks like some of the Goebelt lawyers were experiencing a change of heart, as several have engaged to defend the "suspects" in their new trials. If the accused could only be heard before honest Judges and non-partisan juries, there would be more respect for the judiciary of the state.

JUDGE J. D. WYATT of Ewing, Fleming county, is a candidate for Prison Commissioner. Judge WYATT belongs to the newspaper guild, and as they get very little recognition for their services to their party it will be a graceful thing for the Democracy to name him for the office to which he aspires.

Miss Nellie Murphy has recovered from a few days' illness.

Judge W. H. Holt has purchased a home in Pewee Valley for \$10,000.

Mrs. Nancy Parr died Sunday at her home near Manchester after a lingering illness. She was a sister of Mrs. Fred Otto of this city.

Dick Arnsperger has bought for \$8,000 the old Norton home at Lexington. It is on High street, 7 1/2 feet, and one of the most beautiful homes in the city.

**NOTICE, CADETS.**

Some six years ago he suffered partial paralysis, but was able to be as late as last Saturday.

Surviving is the wife and one child.

Mr. Stickley was an Oddfellow, a member of the Lodge at Norris City, Ill., and his funeral, the time for which has not been set, will be in charge of the Order here.

Born, yesterday, to Dr. and Mrs. R. R. Heister, a daughter.

Mrs. Mary McCormick, a sister of Mr. Matt Smith, died Friday at Carlisle, aged about 70.

Mr. C. T. Marsh, famous as a melon and fruit grower, has Mrs. L. Marsh's best thanks for a luscious water melon.

Professor R. Haganstine has the distinction of having bought the first lot set to the Maysville Elks Fair of 1901.

Miss Margaret Mollay of Germantown left yesterday for New York City, where she will join Colonel and Mrs. E. E. Rolf, relatives from Hartford, Conn., for a trip to Europe. They will sail on the Campania, September 7th, and will tour the British Isles, spend some time in the picturesque parts of Ireland and visit London, Paris, Rome and many other places of interest whilst abroad.

The Rev. E. L. Powell, Pastor of the first Christian Church at Louisville, has announced that he will preach in each month this winter will be delivered by him in a lecture. He gives as his reason that a class of people whom he is especially desirous of reaching will not go to church and they might be in the picture of the public entertainment. Rev. Powell will preach his first sermon in this series the last Sunday of this month.

**J. R. D. & A. M.**

All members and visitors will meet at Hall tomorrow morning at 8 o'clock, to join Elks Parade.

**QUESTION ANSWERED.**

Yes, August Flower will have the largest sale of any medicine in the civilized world. Your friends and grandchildren never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom knew of Appetite, Nervous Prostration or Heart Pains, etc. They used August Flower to clear out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all that took when feeling dull and bad with headache and other aches. You only need a few doses of August Flower in liquid form, to make you satisfied there is nothing stronger the matter with you, unless you prize a lifetime. For sale by J. J. Wood & Son, Druggists.

**NOTICE, SCHOLARS.**

Chisholm of 343 East Second street says:

"Mr. Chisholm speaks in highest terms of Doan's Kidney Pills. He procured them at Jas. Wood & Son's drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

The palmetto trees of Jacksonville stood the recent conflagration there better than any other kind. While nearly all other trees in the wide sweep of the fire perished from the heat, the palmettos were putting out green shoots, showing that they have life and vigor left.

**It Takes a Remedy of Uncommon Merit to Draw the Unqualified Praise of a Successful Practicing Physician.**

Dr. J. W. Bates of Corfu, N. Y., states:

"A most remarkable case has come under my hands of late and has fully convinced me of the wonderful power of Dr. A. W. Chase's Nerve Pills over diseases of the nerves."

"A young lady who was treated for over two years for epilepsy by two doctors was given up to die. I found that her sickness was not epilepsy, but nervous troubles, due to menstrual derangement, and prescribed Dr. Chase's Nerve Pills a day, after meals and at bedtime. Since that time she has not had a seizure. Her health has rapidly improved, she has gained about 15 pounds in weight, and I do not hesitate to state that Dr. A. W. Chase's Nerve Pills have saved her life and restored her health."

Mrs. Fawcett of Marietta, Ga., writes:

"I have used Dr. A. W. Chase's Nerve Pills and can recommend them to others as a good sound reliable nerve and general tonic. When I got the box of the Pills I was complaining of nervousness, weakness and pain through the shoulders—rheumatic in type—digestion not over good as usual. The effect of the medicine has been very satisfactory indeed. So marked was the change towards health and comfort I can conscientiously say they are fine and what they are represented to be. At my next issue I feel I am getting all the benefit possible."

Mrs. M. J. Hubbard of Railroad Avenue, Sistersville, W. Va., says: "I like Dr. A. W. Chase's Nerve Pills. I was nervous, excitable, unable to sleep. I had not taken the medicine long when my nerves were steady and strong—my physical strength and energy back and my sleep sound and natural."

That the portrait and signature of Dr. A. W. Chase are on every box. Price 50 cents a box—Six boxes for \$3.50. Manufactured by the Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

**ARE COMMANDED BY A NICARAUGUAN**

They are Fairly Well Armed, Possessing Two Cannon, as Well as Plenty of Ammunition.

**The Opposing Forces Have Occasionally Exchanged Shots—Each Side Awaiting the Other to Begin the Battle.**

Colon, Colombia, Aug. 31. (Delayed three days by the censor).—Bocas Del Toro, 40 miles west of Colon, is virtually besieged by the Liberals, or Insurgents. They number at least 200, and occupy Provision Island, which is opposite the town, and command the entrance to the harbor. They are fairly well armed, possessing two small modern cannon, as well as plenty of ammunition, and are commanded by a Nicaraguan and Costa Rican liberals.

For more than a month the Liberals have been threatening the town. About a fortnight ago they improved their position on Provision Island, about a mile and a half from Bocas Del Toro, which also is on an island, and the opposing forces have occasionally exchanged shots, although, with the exception of one fatality, wounded, there have been no casualties.

**The Harbor Obstruction.**

The situation is likely to remain as it is until one side or the other makes an attack. Such an action would subject the sailing parties to the severe fire of their opponents, as it would be necessary to pass from Bocas Del Toro to Provision Island, and thence to Colon, by open boats. Neither side is inclined to take the risk.

The government has about 170 men there, and the town can only be reached by very light draught steamers through roundabout channels.
